Bill Van Fleet
Portrayals of Nature

William Mabrey Van Fleet's (Bill Van Fleet) love of making art began as a small child. He grew up in the San Francisco area where he enjoyed rendering the local landscape while experimenting with different techniques and media. Following his retirement from an architecture career that includes such well-known structures as Bayside's Humboldt Unitarian Universalist Fellowship and Freshwater Elementary School, Van Fleet has devoted much of his time to landscape and nature drawings in conte crayon.

The Morris Graves Museum of Art, located at 636 F Street, Eureka is open to the public noon-5p.m., Thursday through Sunday. Museum admission is by donation: \$4 for adults, \$1 for seniors age 55 and older; HAC Members and children age 12 and under are admitted free. Admission is always free for everyone during each First Saturday Arts Alive!, 6-9 p.m.
