SECOND  
SATURDAY  
FAMILY ARTS DAY

# Youth Programs

at the Morris Graves Museum of Art

Join us each month for our free monthly family and youth programs:

## Second Saturday Family Arts Day!

In the Museum Second Saturday Family Arts Day brings together families, youth, and the artists and artistic groups within the community. On the second Saturday of each month from 2 to 4 pm, *Second Saturday Family Arts Day!* offers activities throughout the Museum including musical participation events, dance performances, and storytelling in the Performance Rotunda, and hands-on arts projects in the Youth Classroom. Second Saturday Family Arts features an array of fun educational themes for children and their families with the aim of providing educational and multicultural arts in Humboldt County.

## KEET's Kids Club ~ Kid's Cinema

In partnership with KEET-TV and the Ready-to-Learn initiative, the Humboldt Arts Council and the Morris Graves Museum of Art will offer FREE monthly workshops for children, families, and childcare providers every first Saturday of the month from NOON to 2pm. These FREE monthly workshops are lead by Jackie Hamilton from KEET-TV. The workshops are geared to provide youth (2-8 years old) with critical reading and comprehension skills. Based on the learning triangle, workshops will be comprised of viewing a segment of PBS Kid's programming, reading several short stories, and doing art activities to incorporate the material. And each family will take home a FREE BOOK!

## Second Sunday Afternoon of Dance

From October 2008 through May 2009 the Humboldt Arts Council and the Morris Graves Museum of Art will open its doors to provide a performance space for local dance companies and a venue for community members to enjoy an afternoon of dance. Join us every 2nd Sunday from 2 to 4 pm and enjoy a FREE dance performances from your favorite local dance companies
